The initiatives and timeline of the Human Concerns Committee Strategic Plan was reviewed. It was decided that we would try to have a member from the Human Concerns Committee at the New Parishioner Orientations to acquaint them with the various ministries and outreach efforts of the HCC.

There will be a dinner on February 8 to thank, recognize and support the ministry leaders and volunteers.

An e mail will be sent to the various ministries to let the leaders know who the HCC liason person is and that they can expect a follow-up phone call.

A committee is being formed to help with Twinning Parish events. If anyone is interested, please contact Mary Janowak.
