### **Review of Weekly Contributions**

As of August 15, we are \$30,521 below budget. This figure is 9.4% lower to date than last year.

### **Stewardship**

Assignments were given for the various areas of the stewardship campaign. Bob, Barb, and Mike will meet at Emerald Isle to review signage for this year's theme: *Faith: Experiencing, Living, Serving*. This theme follows language of the new mission statement. A new logo for the mission statement will also be designed for use on various communications. The annual staff kick-off luncheon meeting to execute plans for the campaign will be held on Sept. 2. Staff members will be interviewed for the Annual Report. Julie will assign writers. Bob is encouraging all standing committees to be represented on stewardship commitment weekend. Twenty-five people are needed for the weekend of Nov. 20/21.

### **Strategic Planning**

Kathy Uy, Bob Ranus, Nancy Nelson, Barb Hetzel, Cheryl Pabich, Jean Beaudoin, and Tim Rippinger have been working throughout the summer to develop a 5-yr. strategic plan for stewardship. After editing and approval by the full committee, this plan will be submitted to Mike Ostrenga by Sept. 3.

### **Other Business**

New member breakfast will be held in the church hall on Sunday, Oct. 17. Committee members are encouraged to attend this breakfast. It is a great opportunity to welcome new members to our faith community and encourage them to become involved in a ministry.

Electronic offerings for stewardship are still being finalized. An ad hoc committee is working to have this available for the stewardship campaign.

Respectfully submitted,  
Barb Hetzel
