- a. Introductions of nominees: Three of five nominees attended tonight's meeting- Pam Enright, Carrie Mueller, and Gina Kurtz. Recommendation for these three nominees to be chosen to be members of CFC. All three candidates accepted.
- b. Discussion lead by Doug Miller of CFC Guideline changes. As a group, we read out loud line by line the CFC Guidelines. Minor changes were made. Doug plans to make corrections and give us an updated copy.
- c. Evaluation of past year. Members present at meeting completed an evaluation survey. Group sharing of what went well and of things that did not go well and why. What went well: A positive transition to Common Leadership Night giving the committee a better sense of purpose. Fishsticks- an intergenerational event that raised money, provided fun safe family entertainment, and brought the committee together with a great group effort along with giving the CF classes an opportunity to raise money for the mission trip through the silent basket auction. Faith sharing at the beginning of each meeting. CF Welcome Night. What needs improvement: Input from committee on a pro-active basis rather than reactive. Request for more Adult CF info since Mary Janowak unable to attend meetings due to her attendance at the Human Concerns Committee meetings. Thus, we will plan to calendar our 2 additional non-scheduled meetings for next year to focus on Adult Formation so Mary will be able to attend. Instead of Director's Report- "Director's questions" to better facilitate sharing of ideas. The CF Handbook needs to be reviewed and revised along with the webpage for CFC.
